***Worcester Public Library Hosts an Author Event with
New York Times Bestselling Author Nancy Thayer***

Worcester, MA – The Worcester Public Library will host an author event with Nantucket-based, *New York Times* bestselling author Nancy Thayer. The author will be discussing her latest novel *Secrets in Summer* on Saturday, July 22 from 2 to 4 p.m. at the Main Library, 3 Salem Square, Worcester, and then signing books. Barnes and Noble will be onsite selling Ms. Thayer's work.

Nancy Thayer is the author of thirty novels, including: *Summer House*, *The Hot Flash Club*, *Beachcombers*, *Heat Wave*, *Summer Breeze*, and *Island Girls*.

Her books concern the mysteries and romance of families and relationships: marriage and friendships, divorce and love, custody and step parenting, family secrets and private self-affirmation, the quest for independence and the normal human hunger for personal connections.

The author event is part of the "Build a Better World" Summer Reading Program. Special programs and activities will be held all summer, and readers of all ages are encouraged to track their reading online.

The Adult Program will offer classes at the Main Library on improving yourself, your community, and your world, including learning about gardening, civic engagement, health and wellness, and computer and business classes.
