at the Worcester Public Library***

Worcester, MA – The Worcester Bravehearts will visit the Worcester Public Library on Friday, July 22 for a Baseball Clinic. The fun begins at 1 p.m. in the Children’s Room, and will move outside (weather permitting). Join us to get tips on your swing and meet the team. Players will sign your baseball gear and even toss the ball around with you. This event is for all ages.

The Bravehearts are the reigning champions of the Futures Collegiate Baseball League (FCBL), and compete against nine other teams from around New England. They are currently in their third year of play.

The Worcester Bravehearts Baseball Clinic is part of the Summer Reading Program at the Worcester Public Library. The theme for the 2016 program is “Wellness, Fitness, and Sports” - with loads of free programs being offered through August 20 at the Main Library and all branches. Participants are eligible for prizes for reading and participating in programs. All ages are invited to sign up for summer reading at mywpl.org or at any library location until August 20.
