

# BWANA IGUANA REPTILE SHOW

**Saturday, April 21 at 10 a.m.**

Join reptile enthusiast Ray Ward for a reptile meet and greet! Ray is a member of the National Geographic Society and the first president of the Rhode Island Herpetological Association. An avid reptile lover, he has owned and cared for all kinds of tetrapods since his youth. Learn about these various vertebrates and their environments... and see them for yourself! For families with children of all ages.
