"An uncanny blend of voices… the duo sound born to mesh their voices. His, a handsome, sandpapery timbre, and hers, angelic, with a lovely wilt." - Bill Copeland Music News

Crowes Pasture is the acoustic duo of Monique Byrne and Andy Rogovin. Based in Boston, the duo brings leather and lace harmonies to classic and contemporary folk music in a style that draws from old-time, folk and bluegrass traditions. Performing on guitar and banjo, they draw inspiration from both traditional folk storytellers like Woody Guthrie and Bob Dylan and icons of vocal harmony like the Carter Family and Simon & Garfunkel. Their music invites comparisons with the likes of The Civil Wars, Gillian Welch/ David Rawlings, The Milk Carton Kids, The Jayhawks and Ian & Sylvia. The duo released their second album, *Edge of America*, in October of 2017.
