

# North American Birds of Prey

**Tuesday, February 20  
11 p.m.  
Main Library**

Wingmasters, licensed raptor rehabilitators, will be here to present an educational program on North American Birds of Prey including eagles, hawks, falcons and owls. This presentation includes live birds (handled only by presenters) and is designed for children 6+ and their families.

Sponsored by the  
Friends of the  
Worcester Public Library
