

# Preschool Science

**Mondays, October 2, 16 & 23**  
**November 6, 13 & 20**  
**10 a.m.**

Science is all around! Learn some beginner science concepts with the help of books and fun activities!

Your little scientist will also begin to explore technology, engineering and math skills!

Recommended for ages 3-5.

Main Library - Children's Program Room.
