It also gives children a chance to voice their opinion and choose the book they think deserves to be named the MCBA book of the year. Open to grades 4-6. This series was made possible by the Friends of the Worcester Public Library.

Play righteous retro board games like Rock 'Em Sock 'Em Robots, Hungry Hungry Hippos and Trouble. Also learn the basics of electricity, engineering, and circuitry that goes into all video games by tinkering with with our Snap Circuits Arcade set.
