

Make and Take - Thursdays, March 1, 8, 15, 22 & 29 at 3:30 p.m. - Join us at the library for an artistic craft that you can take home with you! All ages welcome.*

Rad Robots: Robotics demo with local community member and former engineer Howard Drake – Saturday, March 3 at 10:30 a.m. – Are you crazy about cyborgs? Bonkers for bionics? Join us for a robotics demonstration as we learn about robots built from LEGO “Mindstorms” kits, including talking turtle robots that can read, and a robot that carries the Earth around the Sun to show the four seasons. We’ll learn what skills are required to build a robot, then play with the robots ourselves! Ages 7+ and their families.

Construction Club – Tuesdays, March 6, 13, 20 & 27 at 3:30 p.m. - Do you like Legos, Lincoln Logs, keva planks, magna tiles, or K’nex? Choose from a variety of materials each week as you visit different building stations. Bring a friend! Supports STEM (Science, Technology, Engineering and Mathematics)! All ages welcome.

Game On – Wednesdays, March 7, 14, 21 & 28 at 4 p.m. - Weekly Game On program alternates between Xbox video games *Just Dance* (all ages) and *Minecraft Mania* (ages 8-17).

Egg Hunt – Friday, March 23 at 3 p.m. - Hop on over for a spring egg hunt! Ages 12 and under. Participants must check-in and receive the “rules” and an egg hunt bag. Please arrive early, as space and supplies are limited. Hunts begin promptly at the listed times.

*Some weeks may include small pieces, alternative activities will be available for small children.
