

STEP BY STEP GUIDE TO DOWNLOADING LIBRARY EBOOKS: OVERDRIVE WORCESTER PUBLIC LIBRARY

I. FOR BLACK and WHITE KINDLE & KINDLE PAPERWHITE

Using your computer, go to the library's website at www.mywpl.org and hover over **Explore**. Select **ebooks and Digital Media** under **Digital Collections**. Choose **OverDrive** and click on **Sign In** to log in. Click on the magnifying glass and click **Advanced**. Under **Formats**: **choose Kindle Book**. Under Availability, Check **Available Now**. Enter your search terms and click **Search**. After you choose a book, click **Borrow**. Once item is borrowed, go to your loans page or click on the books icon. Select **Kindle Book** under the **Choose Format** dropdown menu. Now log in to your Amazon account. Choose which device you want Amazon to deliver the library ebook to under **Get Library book**, then click **Get Library Book**. The library ebook should show up on your Kindle. If not, press **Menu** button on your Kindle, choose **Sync**.

II. BLACK and WHITE NOOKS, NOOK COLOR & OTHER OLDER eREADERS

Before you click on the Download button, you need to have Adobe Digital Edition (ADE) on your computer. Go to <http://tinyurl.com/n589ngm> to download ADE. Once you have installed ADE on your computer, go to your loans page on OverDrive, under **Choose Format** select **ePub Book**. The book will download to your computer. Open the file to add it to ADE. Then connect your Nook or other device to your computer. First time users will need to create an Adobe account before you can start using ADE on your computer. Once you are able to access your Library on ADE, your device will show in the left column of the digital edition panel. Drag your book from ADE into your device. Allow it to sync and your ebook will appear now on your device. You may now unplug the device.

III. ALL SMART PHONES & TABLETS

Download Overdrive from your device's app store. Open it and select the **Sign up Using Library Card** button. Enter your Library's name or

your zip code in the search box on the **Find Your Library** page. Select your local library. On the next page, enter your library card number. You'll be prompted to find your local library again. Follow the same procedure as before. Select your local library, then select C/W MARS. You will then be brought to OverDrive. Select the sign in button and enter your library card number to log in to your account. Search for a title you wish to borrow by using **Search or Advanced Search**. To check out a title, click **Borrow**. If the title is not currently available click **Place a Hold** to add to your hold list. (Email address required.) To start reading an ebook simply go to your loans page and select the **READ NOW** button next to the title. If you selected a Kindle book and would like to sync the ebook with your Kindle devices click the download button. You'll then be brought to Amazon to log in to Amazon. Choose which device you want to deliver the library ebook to under **Get Library book**, then click **Get Library Book**. For audiobooks, you must use the Overdrive App to listen to the audiobook. On your Loans page, select **Listen Now** button next to your audiobook. Enjoy your library's ebook or audiobook!

IV. FOR MAC & PC COMPUTERS

Go to the library's website at www.mywpl.org and hover over **Explore**. Select **ebooks and Digital Media** under **Digital Collections**. Choose **OverDrive** and click on **Sign In** to log in. Click **Advanced Search**. If you want to read the device in your browser, select the **Read Now** button. To download the ebook to read the title offline **Under Format: Choose ePub Book**. After you choose a book, click **Borrow**. Before you click on the Download button, you need to have Adobe Digital Edition (ADE) on your computer. Go to <http://tinyurl.com/n589ngm> to download ADE. Once you have installed ADE on your computer, go to your loans page on OverDrive. Under **Choose Format** select **ePub Book**. The book will download to your browser. Drag the file to your desktop and then transfer it into ADE.
