

STEP BY STEP GUIDE TO DOWNLOADING LIBRARY EBOOKS: OVERDRIVE WORCESTER PUBLIC LIBRARY

ALL SMART PHONES & TABLETS

On your handheld device, download Libby from the app store. In Libby, follow the prompts to find your library (CW MARS) and sign in with your library card. Browse the library's collection and borrow a title. Borrowed titles appear on your loans page and download to the app automatically when you are connected to Wi-Fi, so you can read them when you are offline. (Libby app is not compatible with Amazon/Kindle devices)

FOR AMAZON/KINDLE DEVICES

On your computer, go to www.mywpl.org and hover over **Resources**. Select **eBooks and Digital Media**. Choose **OverDrive** and sign in as a CW MARS patron with your library card. Browse the library's collection and borrow a title. Go to your loans page. Select the book you want to read and choose **Read now with Kindle**. Log in to your Amazon account. Choose the device you want Amazon to deliver the library eBook to under **Get Library book**, then click **Get Library Book**. The library eBook will appear on your Amazon/Kindle device. If not, press the **Menu** button on your Amazon/Kindle device and choose **Sync**.

FOR MAC & PC COMPUTERS

On your computer, go to www.mywpl.org and hover over **Resources**. Select **eBooks and Digital Media**. Choose **OverDrive** and sign in as a CW MARS patron with your library card. Browse the library's collection and borrow a title. Borrowed titles appear on your loans page. To read a borrowed ebook in your browser, select **Read Now in Browser**. To download the borrowed ebook to read offline, install **Adobe Digital Edition (ADE)*** on your computer. Go to your loans page in OverDrive and select **Download ePUB eBook**. Open the downloaded file with ADE and read the ebook in ADE.

BLACK and WHITE NOOKS, NOOK COLOR & OTHER OLDER eREADERS

On your computer, go to www.mywpl.org and hover over **Resources**. Select **eBooks and Digital Media**. Choose **OverDrive** and sign in as a CW MARS patron with your library card. Browse the library's collection and borrow a title. Borrowed titles appear on your loans page. Install **Adobe Digital Edition (ADE)*** on your computer. In Overdrive, go to your loans page and select the book you want to read and choose **Download ePUB eBook**. Open the downloaded file with ADE. Connect your Nook or other device to your computer. Your device will show in the left column of the digital edition panel. Drag the book from ADE into your device. Allow the device to sync. The eBook will appear on your device. You may now unplug the device.

*HOW TO INSTALL ADOBE DIGITAL EDITIONS (ADE)

On your computer, go to <http://tinyurl.com/n589ngm> to download **ADE**. Create an Adobe ID or log in with your existing account.
