EARN CHANCE TICKETS BY COMPLETING ACTIVITIES ON THE GAME BOARD

Earn 1 Chance ticket for each of the following:

- * Completing all activities in 1 color block
- * Completing all 4 corner squares
- * Completing the Explore challenge

Bonus:

Complete the entire board to earn 2 additional Chance tickets and a goodie bag of school supplies (while supplies last)!

**** Make a ✓ in the white circle in each square when you complete that activity. Each program square is a separate activity (so one program only counts for one of the program squares). ****

EXPLORE CHALLENGE

Visit WPL branches to receive limited edition stickers (each branch will have their own design); visit 4 different WPL branches to complete the Explore Challenge!

How do the Chance tickets work?

Each Chance ticket earns you either an instant prize (yay!) or an entry into the prize baskets drawing at the end of the summer. Scratch to reveal your fate. You can pick up Chance tickets in the Teen Space at the Main Library and at the service desks at the other branches.

Prize basket drawings will take place in early September; winners will be contacted by the phone #/email on the entry form.
